Career objective

I am Aspiring to secure the position as a Technical Support Specialist, leveraging my strong communication and problem-solving skills developed during my tenure at Amazon's fulfillment center. With a high school diploma and a pursuit of a Bachelor's degree in Information Technology, I am committed to enhancing my qualifications and contributing to the IT field. My goal is to apply my growing knowledge of IT principles and practices to provide exceptional technical support, while consistently improving my abilities through ongoing learning and certifications.
